ADDRESS: 100 Lake Traverse Dr.

## MORE INFORMATION

SERVICES: We provide information via brochures, PSA's, email blasts on mental health issues such as depression and stress. We also coordinate mental health screening events in the community for the HIS Behavioral Health department. We give a prenatal education packet and a small gift to pregnant women before their first prenatal appointment. The effects of smoking on the child are also discussed. We provide car seats and

child passenger safety education.
